ES50 CLUB "TWO-SEATER"

Donated by: Bill Riley

Country of Origin - Design: Australia

Country of Origin - Manufacture: Australia

Designer: E. Schneider & Sons

Constructor: E, Schneider & Sons Pty. Ltd

Year of Manufacture: 1953

Only one of these was built in an effort to fulfill a need for a good two seater in Australia.

Not much is known about the early history of the Club two seater but from the logbook the following flying

- Renmark Gliding Club: 352 Hrs 4353 flights
- Millicent Gliding Club:
- Corangamite Soaring: 32 Hrs 642 flights
- Sydney Tech College: 5 Hrs 84 flights

The Club two seater has been restored to display condition and awaits finish painting.

We are indebted to Bill Riley for saving this unique Australian glider.
